Previous Guest Comments

"I did the Wine Fairy tour with a group of friends and we all agreed it was the best wine tour we had ever done. Her laid back yet passionate and knowledgeable approach had us actually absorbing information rather than feeling lectured to and we had a lot of laughs along the way as well" - Scott, USA

Tour Overview

We travel from the city following the coastline through quaint villages and fishing towns. Marvel at the glorious coastal views, stories of historical voyages, stunning seascapes, penguin colonies, a naval base meandering mountain paths, local artisan foods and national parks.

The Places & the People

Hout Bay, Noordhoek, Cape Point, Simon's Town, Kalk Bay and Constantia all offer unique stories of the Cape. We'll meet many characters along the way that all add their page to the tale.

The Wine & The Food

The peninsula is full of hidden gems, many an artisan tucked away. From bakeries to breweries, a coffee to cure your jetlag and the best fish & chips around. Constantia is the Capes oldest wine region, so time permitting we'll stop for a glass.
